Rogers Park Elementary 🌸 Multi-purpose Room

1400 E. Northern Lights Boulevard, Anchorage

Project Objectives The Municipality of Anchorage, in conjunction with DOWL Engineers invites you to attend a public meeting on the Fireweed Lane/LaTouche Street Upgrade project. This project is being completed in accordance with context sensitive design principles.

The primary objectives of this project are to address roadway maintenance issues, repavement of the roadway, consider traffic calming measures, and upgrade pedestrian facilities to meet accessibility criteria.

Public Meeting No. 2 The purpose of this meeting is to present the results of the draft design study effort and to present the 35% complete plans.

The public meeting will be held in an OPEN HOUSE format and participants may attend at any time during the scheduled hours. A presentation will be made at 7:30 p.m. Project personnel will be available to discuss the project.
