

TAFT STREET AND VAN BUREN STREET IMPROVEMENTS

PUBLIC MEETING #2

Northwood Elementary School

Thursday, April 17, 2008 ■ 6:30 p.m. – 8:30 p.m.

The Municipality of Anchorage (MOA), Project Management and Engineering (PM&E) Department is initiating the Taft & Van Buren Street Improvements project. The purpose of this project is to provide alternative paved access to commercial/trucking businesses in order to eliminate truck traffic adjacent to the school and the Spenard Recreation Center.

Meeting Schedule

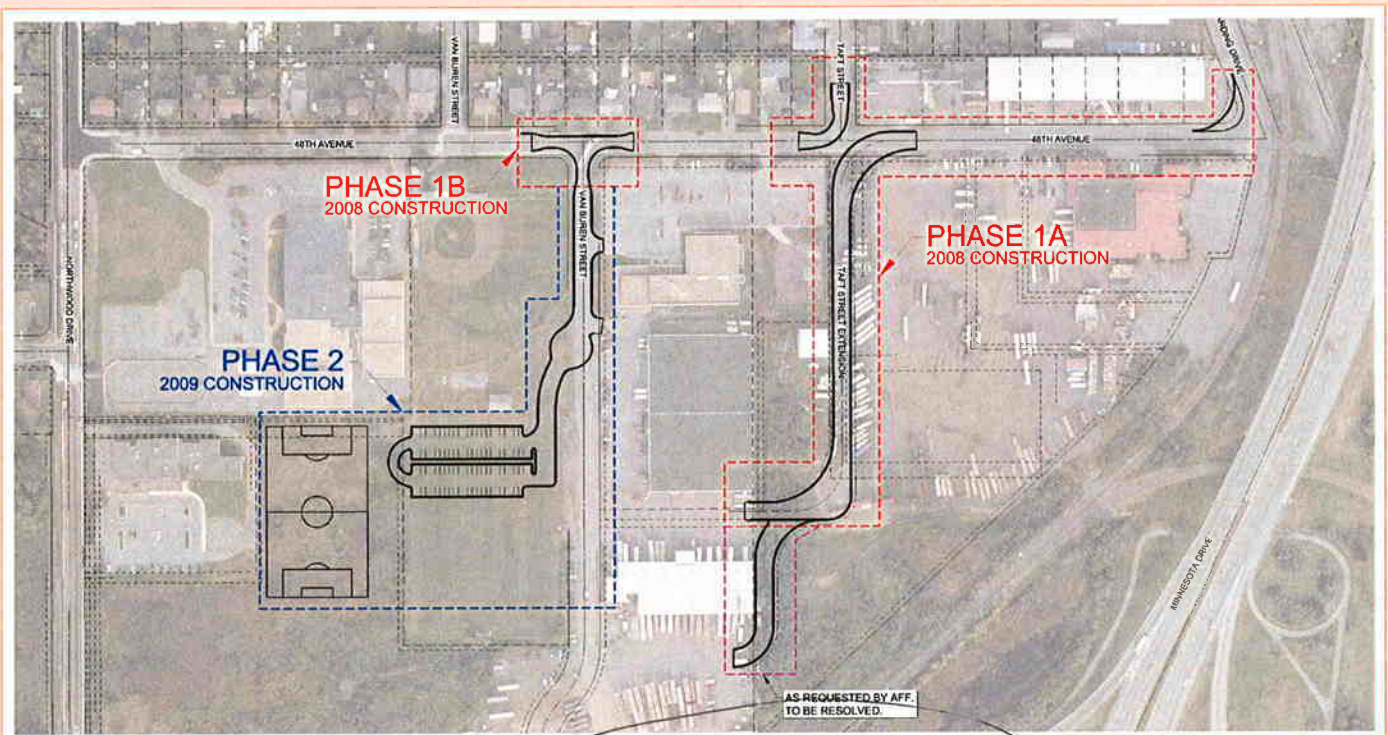

- 6:30 p.m. – 7:00 p.m. Open House
- 7:00 p.m. – 7:30 p.m. Project Presentation/Q&A
- 7:30 p.m. – 8:30 p.m. Open House

Contact Information

To submit comments on the project or for more information please contact Krista Bryant, DOWL Engineers at 562-2000 or vanburen@dowl.com. Public comments can be also be submitted by mail to DOWL Engineers, 4041 B Street, Anchorage, AK 99503

Why should you attend this meeting?

The MOA PM&E invites you to attend the second public meeting on the Taft/Van Buren Street Improvements project. This meeting will provide an opportunity for the project team to update the public on the status of the project as well as the next steps. The team will also be available to answer questions on the project.

This goes to King Salmon stuff
